

## Code

```
question2.c
1  /*
2  WAP which will perform like a registration form. It should contain
3  following things:
4  - First Name
5  - Last Name
6  - Email
7  - Password (don't display the typed password: getch() function)
8  - Address
9  - Semester
10 - Course
11 - Phone Number
12 - After taking input for the above fields, display all the entered data (except password)
13 to user in proper format.
14 */
15
16 #include <stdio.h>
17 #include <conio.h>
18 int main()
19 {
20     char fname[20], lname[20], email[50], password, address[20], course[20], sem[5], phone[10];
21
22     printf("Enter Your First Name: ");
23     gets(fname);
24
25     printf("Enter Your Last Name: ");
26     gets(lname);
27
28     printf("Enter Your Email: ");
29     gets(email);
30
31     printf("Enter a one digit Password: ");
32     password=getch();
33
34     printf("\nEnter Your Address: ");
35     gets(address);
36 }
```

```
question2.c
28     printf("Enter Your Email: ");
29     gets(email);
30
31     printf("Enter a one digit Password: ");
32     password=getch();
33
34     printf("\nEnter Your Address: ");
35     gets(address);
36
37     printf("Enter Your Course: ");
38     gets(course);
39
40     printf("Enter Your Semester: ");
41     gets(sem);
42
43     printf("Enter Your Phone Number: ");
44     gets(phone);
45
46     printf("***** Your Details *****\n");
47     printf("First name: ");
48     puts(fname);
49     printf("Last Name: ");
50     puts(lname);
51     printf("Your Email is: ");
52     puts(email);
53     printf("Your Address is: ");
54     puts(address);
55     printf("You have selected a course i.e. ");
56     puts(course);
57     printf("Your semester is: ");
58     puts(sem);
59     printf("Your Number is: ");
60     puts(phone);
61     return 0;
62
63 }
```

## Output

```
E:\Manish\CProgramming\assignment8\question2.exe
Enter Your First Name: Manish
Enter Your Last Name: Bhusal
Enter Your Email: manish@gmail.com
Enter a one digit Password:
Enter Your Address: Ghorahi
Enter Your Course: BCA
Enter Your Semester: 2nd
Enter Your Phone Number: 980989898
***** Your Details *****
First name: Manish
Last Name: Bhusal
Your Email is: manish@gmail.com
Your Address is: Ghorahi
You have selected a course i.e. BCA
Your semester is: 2nd
Your Number is: 980989898
